Department of Linguistics Research Grant Application Form (2023-24): Undergraduates

- This fund supports student-driven undergraduate research, including research costs (e.g., participants, consultants), conference travel to give a talk, and attendance at linguistics summer schools.
- Submit the form as a **Word** file to undergrad.linguistics@utoronto.ca .
- Recipients will be expected to submit a brief proposal and then a brief follow-up report, to be posted at http://utlinguistics.blogspot.com. (Photos or other media an excellent bonus.)

1	Name of Investigator	
2	Title of project	
3	Email	
4	Year of program	
5	Faculty supervisor	
6	Request type	Research expense: ( ) participants Research travel: ( ) Canada ; ( ) USA; ( ) Other Conference: ( ) Canada ; ( ) USA ; ( ) Other ( ) Other (e.g., linguistics summer school) _____
7	Dates of travel or research activities	
8	Relation to program of study	Course (give course number and instructor)/Other (e.g., enhancing studies)
9	Sum requested	

10	Applied for other sources of funding for this project?	( ) No
		
		( ) Yes
		   funding source: :_____
		   (e.g., college, Arts & Science UG Research Fund)
		   amount: _____

11	Conference information (For conference requests only)	Name: _____ Location:_____ Organizer:_____ Estimated number of participants:_____ Abstract is accepted: ( ) Yes ( ) Not yet

March 16, 2023

12 Project Description (up to 150 words)

13 Detailed Budget[1]

a. PARTICIPANTS (Number of participants * Hourly rate = Total)

[Normal participant pay for English speakers is $10/hour and consultants for fieldwork are generally paid between $15 and $30 per hour. The rate may vary depending on the population, task, location, and other conditions.]

---

[1] An average amount awarded over the last few years has been around $250, subject to the available funding and numbers of applications.

b. TRAVEL (Conference or research)

[Provide estimated costs of transportation and lodging and provide supporting documents (e.g., printout from travel websites).]

c. OTHER

14 Budget Justification

a. PARTICIPANTS (50 words max)

[*Provide justifications for the number of participants you are requesting, taking into consideration other similar studies in the literature, your program of study, and your past experience with similar types of research.*]

b. RESEARCH TRAVEL (50 words max)

[*Provide justifications for the location of research and explain why the same research cannot be conducted in Toronto.*]

c. CONFERENCE PARTICIPATION/TRAVEL (50 words max)

[Explain the importance of this conference in the context of your research.]

15 Ethics approval

Any research involving human participants requires ethics approval. Approval is given at the Department level for linguistic elicitation and at the Research Ethics Board for all other research. If you do not yet have ethics approval, funds cannot be released until you receive it.

Protocol needed?   (   ) Yes   (   ) No

Protocol number: _____ Date of approval:_____

Supervisor of record for ethics approval:_____

16 Faculty supervisor approval

The investigator discussed the content of this application with the supervisor and the supervisor approves of it.

Faculty supervisor name: _____ Date:_____
